

PLAYCARE RATES AND RULES

If you're enjoying the off-leash parks with your dog and you need a break, you have a couple of options.

- **TAKE YOUR DOG WITH YOU** - You may take your dog with you on a leash to the other areas of the facility. Inside the Supply Center, there are wait crates just outside the café service line where your dog may wait while you grab your refreshments. Or enjoy our lounge areas together.
- **CHECK YOUR DOG IN WITH A PARK ATTENDANT** - Take advantage of our play care program where your dog with good behavior can continue to play in the indoor park under our care.
 - Just ask a park attendant about playcare check-in. **The first 30 minutes are complimentary.** Available as staff permits.
 - **Want to linger longer?** After the initial 30 minutes the charge is \$3/half hour, with a one-hour maximum.
- **NEED SOME ONE-ON-ONE ATTENTION FOR YOUR DOG IN YOUR ABSENCE?** Park attendants are available to play with your dog with good behavior as staff and area permits for \$6 per half hour, with a one-hour maximum.
- **REGISTER WITH DAYCARE** - Let Fido have the entire day in the parks by registering for our dog daycare. Please see our daycare rates and packages.

You must remain on premises while your dog is in play care. If you'd like to leave the premises, please see us about your dog joining daycare for that time. Unleashed staff reserve the right to terminate any play care session for bad behavior.
